Reolink

EN

Hub P1

Ultimate Storage. Ultimate Privacy. Subscription Free.

Local Storage

Features 2TB built-in storage, expandable up to 16TB for ultimate flexibility.

24/7 Recording

Continuous HD recording with up to 24 devices, without any monthly costs.

Encrypted Security

Secure your data with built-in AES-128 encryption and LAN-enabled offline recording.

Centralized Control

Manage multiple Reolink devices and customize alarm tones, all from one hub.

Smart Surveillance Analytics

Get detailed, quick-to-review reports of cross-camera events.

Google Assistant Support

Control your security system seamlessly with voice commands.

Wi-Fi 6 Compatibility

Dual Band Wi-Fi 6 for optimal performance, covers up to 1000 sq.m. (lab tested).

Multi-User Access

Supports 1 admin and 10 user accounts with customizable access rights.

AI Detection & 120dB Siren

Stay proactive with person/vehicle/animal detection & customizable alarm sirens.

Local Storage Expandable to 16TB

Enjoy up to 16TB of expandable local storage with 2TB built-in, ensuring ample space for your data needs.

24/7 Surveillance, No Monthly Fees

Get round-the-clock surveillance with support for up to 24 cameras (up to 16MP supported), all without the burden of monthly subscription fees.

Multi-Layered Data Protection

Secure your footage with offline recording, built-in AES 128-bit encryption, and seamless video export via external USB drive.

All-in-One Security Center

As an alarm center and storage hub, it integrates multiple Reolink devices and features customizable alarm tones for quick alert recognition.

Weekly Insights on Alarm Events

Easily review alarm events with cross-camera video filtering and gain valuable weekly insights into trends, event types, and alert summaries.
